

Mary Storyboard

Hannah Brecht | July 5, 2020

Persona: Mary the Collector

Scenario: Keep Track of Collectibles

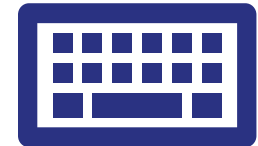

- Mary collects preserved flowers that she grows in her own garden. She keeps each new type of flower she grows and is running out of ways to keep track of which she already has preserved and which she has not.
- She is looking for a way to organize her collection and decide which flowers to grow next year.

Laptop computer

- Mary uses Collection Connection to keep track of her flower collection
- She uses this to view her entire collection and decide which flower to grow next

Keyboard

- Mary adds a new flower to her already present collection of flowers on Collection Connection
